

This Easter:

Don't just eat Lamb

Give lambs a chance to become Sheep!

A Lamb will help

St Mary's Refuge Youth & St Phocas Garden Projects

*A donation of \$150.⁰⁰ will purchase a whole Lamb or
contribute \$25.⁰⁰ to the purchase of a Lamb*

Gifts of livestock and agricultural products will support programs that provide education in animal husbandry and gardening skills for youth and adults who come to the Refuge for summer camps and throughout the year. Sheep produce protein-rich meat and milk, as well as warm wool for weaving. Health, nutrition and warmth all in one fuzzy package.
