To: Everyone at St. John the Compassionate Mission, Toronto,
c/o Frank Petras, Treasurer

---

The King has asked me to thank you for your kind letter in which you shared the splendid news that St. John the Compassionate Mission was soon to mark its fortieth anniversary.

His Majesty was most grateful to you for thinking of him on this special occasion, and was immensely heartened to know that, after four decades, your Mission continues to offer shelter, nourishment, and meaningful opportunities for employment to those affected by homelessness, which will have made such a difference to so many individuals, their families, and the wider communities of Toronto.

Thank you, once again, for sending your message to The King, who has asked me to pass on his warmest good wishes to everyone at St. John the Compassionate Mission, and trusts that your anniversary event will be a most enjoyable and edifying occasion for all involved.

Yours sincerely,

James Dawson
Head of Royal Correspondence
